Honorable Sir:

This Information Disclosure Statement is submitted in compliance with 37 C.F.R. §§ 1.56 and 1.97 through 1.98.

Record is attached of published art for consideration during prosecution of the above-identified patent application. No representation is made or intended that a search has been made or, if made, was complete, or that no more pertinent art than that listed is available. It is expected

that the Patent and Trademark Office will conduct an independent search for relevant prior art.

Unless otherwise indicated, or unless references cited are U.S. patents or patent application publications, a full text copy of the entire reference of published art is attached. Where specifically indicated, an equivalent English language patent or publication is attached in lieu of the translation.

In accordance with the Patent and Trademark Office Notice of August 15, 1980, also enclosed is a completed Form PTO-A820 (Form PTO-1449).

Since the patents, publications, pending U.S. applications and other information listed on attached Form PTO-A820 were previously cited by and submitted to the Office in accordance with 37 C.F.R. §1.98(a-e) in U.S. Patent Application No. 10/244,354, filed September 16, 2002, which is relied upon for an earlier effective filing date under 35 U.S.C. 120, no copies of the cited references are required.

Respectfully submitted,
